TVA Seeks Public Comment on Cumberland Fossil Plant Environmental Investigation Plan

The Tennessee Valley Authority (TVA) is asking for public comment on a proposed Environmental Investigation Plan (EIP) for its Cumberland Fossil Plant. TVA is developing the plan and seeking public comment in accordance with the Tennessee Department of Environment and Conservation Commissioner's Order OGC 15-0177, which addresses coal ash and other coal combustion residuals (CCR) stored at TVA's coal plants in Tennessee.

The Cumberland Fossil Plant EIP provides details on how TVA plans to fully identify the extent of soil, surface water and groundwater impacts of CCR stored at Cumberland.

The EIP can be viewed online via the website link provided below. The public comment period runs from April 10 to May 25, 2018.

Comments on the plan can be submitted in writing at: TN Commissioner's Order Comment, Tennessee Valley Authority, 1101 Market St. BR 4A, Chattanooga, TN 37402; in person at a public meeting to be held on May 3, 2018, at the Cumberland City Fire Hall, 402 Thomas Avenue in Cumberland City, Tennessee; via email at TDECorder@tva.gov; and online at www.tva.com/CUF-EIPcomments. Comments must be received by the end of the comment period, May 25, 2018.

Please note that any comments received, including names and addresses, will become part of the administrative record and will be available for public inspection.
