- Deadline is Tuesday at noon for publication the following week.
- Participating newspapers publish the ads once during the week. Exact publication day is at the discretion of the newspapers. Newspapers may change the appearance of ads in order to fit column widths.
- TPS guarantees at least 90% publication of an accepted ad during the week.
- TPS reserves the right to amend its rates, circulation, and # of publications at anytime.
- Because of the low cost of the program and high number of participating news papers, it is not possible to offer individual tearsheets. However, upon request, the association will furnish an affidavit that a particular ad was distributed to newspapers or will obtain 2-3 e-tearsheets from random newspapers for proof of publication, if the request is made before the ad runs.
- Network ads are prepaid.
